Dear Sir:

I should be glad to go to Peterborough to address the Canadian Club some time during the winter. I am afraid, however, that I cannot give you a date for a few weeks. Possibly I might be able to go down in October, but I am not sure yet.

With kind regards,

I am,

Yours sincerely,

Dear Mr. Cameron:

We shall court February 19th a fixture. I will

by which the German patriotism has come to its present pass.

Dear Sir;-

A number of the members of our executive are desirous of having the meeting on February 19th, on which date you are to address us, an open one, and before making the announcement however, we thought it well to write you and ask if you would have any objections to our doing so, as there are a number of the members who are desirous of having their wives and families hear you. Would you please advise me at an early date as to your opinion on this matter?

Yours very truly,

Secretary

Dear Sir:

President Falconer is away in New York and will not be back until the end of this week. I am sure that the President would have no objections to your making the meeting in Peterborough an open one, and you will be quite safe in announcing it as such.

Yours very truly,

President's Secretary.
